# **SAFETY INFORMATION**

---

- All touch points are regularly cleaned
- Staff & customers are required to wash their hands & sanitize upon entry
- Anti-bacterial hand soap with disposable towels are in the washroom
- All desks & customer areas will be cleaned & wiped between customers
- Valeters will clean interiors before AND after test drives or collections
- Disposable seat covers & gloves are available
- Only 2 customers permitted at any one time into showroom
- Only 1 customer will be permitted into the office at any one time
- Contactless payments available
- Invoices & supporting paperwork to be placed in vehicle
- ALL of our vehicles are subject to a THERMAL SMOKE DEODORISING MACHINE with a unique form of sanitising & deodorising agents. These special agents attack all germs, bacteria, viruses & spores in its path replacing them with a long lasting freshness & leaving you with a much cleaner, safer environment. Even hard surfaces & air ventilation systems will be fogged, deodorised & germ free.
